2017 IN-PLACE RECYCLING & RECLAIMING SEMINAR WITH **LIVE** DEMONSTRATION

June 27-28, 2017

Ramada Grand Dakota Lodge, Dickinson, ND

Champion Hosts:

Register now to secure your place at this dynamic event!

The In-Place Recycling & Reclaiming Seminar with **Live** Demonstration is a forum for pavement professionals representing State, Local and Federal Agencies, Contractors, Suppliers, Consultants, Academia, MPO's. Participants will get the opportunity to view multiple processes in the field, ask questions & take away a unique first-hand experience that will allow them to share their experience and newly gained knowledge during future project planning. The seminar will provide a platform for national pavement professionals to present the state-of-the-art technologies which are the building blocks of the Basic Asphalt Recycling Manual (BARM).

Supported by:

The seminar addresses the needs of professionals at all levels from Interstate Highways to Commercial and Residential Developments—Design Engineers, Highway Engineers, Consulting Engineers, other Public Works Officials, Contractors, and Material Suppliers, who want to incorporate responsible recycling into their pavement program.

Qualifies for 12 Professional Development Hours (PDH)
