

SDACHS Certification Manual - Revision History -

2023 Revisions

Updated SDACHS Certification Committee Members.

Chapter I

SDCL 31-26-25 and 31-26-26, under Utility Lines Along and Across Highways, added to this chapter.

SD 31-9 for Highways Serving Federal Reservations added to this chapter.

Chapter V Changes Pending

The SD Legislative Audit “Bid Booklet” will be updated soon to incorporate changes approved during the 2023 SD Legislative Session under House Bill 1060. In the meantime, this chapter now includes a copy of House Bill 1060, along with the July 2020 Version of the Bid Booklet.

Chapter VII

SDCL 31-34 for Rural Access Infrastructure added to this chapter.

Chapter VIII

Section 8 of the County Accounting Manual sections updated to match online publication.

2020 Chapter V Updated

2020 version of SD Legislative Audit “Bid Booklet” now included.

2018 Main Edition Updated

Applicable sections of the manual updated by Cutler Law Firm to reflect changes due to 2018 House Bill 1107 – ‘An act to revise and repeal various provisions regarding the construction and maintenance of county and township highways and bridges.’ Updated several web links.

2017 Revision

Links to SD Legislative Audit “Bid Booklet” and County Accounting Manual revised.

2016 Revision

Senate Bill 1 as passed during the 2015 Legislative Session did not require any changes to the manual. See Attachment 2 for SB1 for all the details of the SD Codified Laws that were affected.

Added web address to the Bridge Improvement Grant page on the SDDOT website.

2014 Revision

House Bill 1090 Approved during the 89th Session of the Legislative Assembly, 2014; HB 1090 Repealed 31-11-5, 31-19-50, 31-19-51, 31-19-52, 31-19-53, 31-19-54, and 31-19-55 as they were outdated and obsolete. Only 31-11-5 was found in the manual and was deleted from Chapter I (pages 4, 5, & 6) as well as Chapter III (page 4.) The index of Chapter I was revised due to the deletions.

2013 Main Edition Issued
