

SDACC POLICY STATEMENTS
(Adopted September 16, 2026)

1. SDACC supports and endorses changes in state law that provides local governmental bodies the authority to create and enforce ordinances that act as an immediate deterrent against contamination of public groundwater resources. *(1991, amended 2018)*
2. SDACC will continue to support the South Dakota Noxious Weed Law that prevents or limits the growth of all noxious weeds, including on public lands. In addition, it encourages cooperation between Weed and Pest agencies at all levels, including NRCS, and recommends NRCS initiate a cost share program to provide for chemicals for control of noxious weeds throughout the state of South Dakota. *(1991, amended 2018)*
3. SDACC supports the inclusion of Counties in the Federal Land planning process to protect from economic damage, and that sufficient input from all potential impacted parties is allowed. In addition, when any personal or private property is taken for the use of any level of Government, that a Takings Implication Assessment (TIA), be completed prior to the takings and injured parties be fairly and expeditiously compensated. *(1991, amended 2018)*
4. SDACC supports federal policy that reduces conflict between tribal, state and local governmental entities, and encourages Congress to establish an ongoing, federal, non-judicial conflict resolution procedure to resolve intergovernmental disputes. *(1991, amended 2018, amended 2024)*
5. SDACC opposes the combining of any counties within the state of South Dakota by state mandate. *(1991, amended 2026)*
6. SDACC encourages the South Dakota legislature to examine the costs of alcohol, drug, gambling, and other addictions and provide state funding and other assistance to assist counties with jails, law enforcement and detox centers and other costs to address the addiction-related issues. *(1994, amended 2024, 2026)*
7. SDACC supports the full powers of county governments to develop or implement land use regulations such as zoning and will work to protect counties' right to appeal any adverse rulings as they pertain to counties' zoning ordinances. *(1997, amended 2018, 2026)*
8. SDACC continues to support legislation that will encourage uniformity between county and municipal planning and zoning procedures enabling counties to more effectively adopt and administer their comprehensive plan, and zoning regulations. *(1998, amended 2018, 2026)*
9. SDACC supports the State increasing its share of the costs for animal damage control and opposes any changes in assessment factors that would increase or substantially shift the annual assessments currently being paid by the individual counties for funding animal damage control, including an assessment based on land area. *(2001, amended 2024, 2026)*
10. SDACC supports the right of each county to make their own decisions on Right of Way issues (ROW) as they deem necessary. *(2001, amended 2018)*
11. SDACC supports funding initiatives to maintain, and as necessary, upgrade, the statewide emergency radio system. *(2001, amended 2018, amended 2024)*

12. SDACC supports efforts that provide for stable funding of PSAPs (Public Safety Answering Points) appropriate taxation of wired and wireless telecommunications, and other future measures ensuring a reliable and responsive 911 system. *(1999, amended 2018, amended 2024, amended 2025)*
13. SDACC supports legislation to provide additional revenue sources, such as sales tax, for constructing, maintaining and improving county facilities that hold county fairs, achievement days, livestock shows and similar events. *(2002, amended 2025)*
14. SDACC supports elimination of the requirement that county auditors must levy an additional tax levy each year for the school portion of any taxes that were abated by county commissioners during the previous tax year, as the original tax was determined to be illegal or not collectible in some manner in order to be abated. *(2002)*
15. SDACC opposes any legislation that would further restrict counties' allowable un-obligated cash balances or reserves or that would require the preparation of detailed financial statements and cash balances at times other than the end of a county's fiscal year. *(2003)*
16. SDACC supports a county sales and use tax to be implemented in the same manner as the municipal taxes. *(2003, amended 2025)*
17. SDACC supports any effort to repeal the property tax cap and opposes any caps to revenue or valuation limiting the ability of counties to provide services. *(2004, amended 2025)*
18. SDACC supports the state's agricultural industry's efforts to meet the challenges and demands of an ever-changing marketplace. *(2004)*
19. SDACC supports the State of South Dakota funding initiatives to mitigate emerald ash borer and other infestations. *(2018, amended 2025)*
20. SDACC supports full state funding for human service agency transportation to offset the costs to local public and non-profit transportation systems. *(2018, amended 2025)*
